

Add more control to your D3 setup.

Plug in, extend your control, and stay hands-on during every show. D3 Wing adds extra faders and buttons to your D3 setup – giving you more physical control for live playback, cue stacking, and fast programming. It's built to match the D3 series perfectly, with the same angles, layout and red LED scheme. Plug in, extend your control, and stay hands-on during every show.
